

CHAPDELAIN TRUCK CENTER REMAINS OPEN FOR BUSINESS

During these difficult and trying times Chapdelaine Truck Center is open and ready to serve you and your vehicle needs for sales, service and parts. We are using best practices to maintain our commitment to provide our customers, employees and local community with a safe, clean and healthy environment. We've advised our staff to watch for symptoms and signs of the Corona Virus and to report them immediately should they become symptomatic or have come in contact with someone who is infected.

We've advised them to stay at home, seek medical attention and follow proper quarantine guide lines. We ask that anyone who plans to visit our dealership grant us the same courtesy. Out of an abundance of caution, we are using anti-bacterial solutions and wipes to clean public and common areas throughout the day. We're encouraging our employees to clean workspaces daily and to properly wash their hands frequently.

We would like to remind and encourage our customers to utilize our "early bird/night owl" drop off box for their convenience, safety and peace of mind even during our normal hours of operations. Please feel free to communicate via phone, email, text, Facebook or chat on our website for service, sales and parts departments.

Chapdelaine Truck Center has worked hard for over 50 years to earn your business and trust. We are committed to our staff and customers to provide a safe, healthy and friendly environment for all. Thank you all for your business. Please don't hesitate to contact us with any questions, concerns or if there is something we can do to accommodate any special needs.

To learn more about how you can protect yourself from COVID-19, please visit the Center For Disease Control at www.cdc.gov.

We encourage you to visit our new website at www.chaptruck.com as we will be following Federal, State and Local guidelines.

Sincerely

Mike and Mark Chapdelaine
